Navigator's BLOG

We will embark our pilot early in the morning at Canal De La Havannah and sail inside the reefs to the Isle of Pines to drop Anchor in Baie de Kuto.

After departure Pacific Jewel will sail out via Canal Woodin and Passes de Boulari.

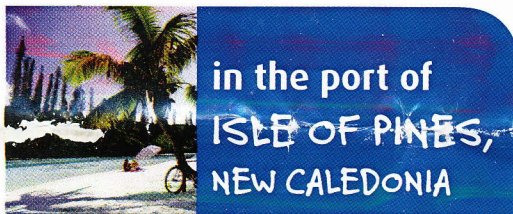

NAUTICAL FACTS, MYTHS & SUPERSTITIONS

BINGE

In the ancient mariners terms was "to rinse or clean out - as in to binge a cask". Hence a sailor who had cleaned out a cask of rum was said to have a binge.*

COMPASS

A navigational instrument that records a variety of directional errors and increases the presence of machinery and magnets on board ship by spinning wildly

The waters off the Isle of Pines must really 'wash whitest' because the sands of the Isle's Kato Bay will impress any visitor with its white, talcum-like beach. The Isle of Pines is part of New Caledonia and is situated 50km south east of the mainland. The most difficult aspect of your visit to the Isle of Pines will be saying goodbye to its sunny skies, friendly faces, warm waters and of course those beautiful beaches

SEA URCHINS, SEA SNAKES AND STRAY DOGS
Always wear reef-shoes when swimming or wading through the waters off the beach and please take care to avoid stepping on sea-urchins or sharp rocks.

Please be also aware of sea snakes in the vicinity of the pier at Isle of Pines. Keep away and do not touch them as they might be poisonous. We also recommend not to approach and feed any stray dogs you might see in the Island.

Thank you.

IMPORTANT NOTICE

We would like to inform all our passengers that nudism and monokini attires are forbidden on all beaches in Isle of Pines. Swimwear is not tolerated on the roads, villages and in any public places. We kindly ask you to respect the environment-keep beaches clean, do not remove plants or coconuts, avoid disturbing the black and white coastal snakes and please make sure to extinguish your cigarette properly and dispose of it correctly.

Thank you in advance for your cooperation and understanding.

**ship
INFORMATION**

ARRIVAL TIME: At approximately **8AM** today, Pacific Jewel is expected to arrive at Island of Pines

LAST TENDER IS AT 3PM
Pacific Jewel will then sail for Sydney.

**SAFETY TODAY IN THE SHIP'S TENDERS:
please...**

- read the 'Tender Safety Notice' at the head of the gangway.
 - do not smoke whilst in the tenders.
- keep your hands and arms off the side of the tender as it comes alongside the ship or wharf.
 - follow the instructions given by crew members.
 - remain seated whilst in the tenders.
- do not get in or out of the tender until instructed to do so by the ship's staff.

IMPORTANT - TENDERING ASHORE

To avoid overcrowding at the tender embarkation area and to avoid discomfort standing in line waiting for a tender to take you ashore, we will be operating a tender ticket system from 7.45AM.

When you are ready to go ashore, please proceed to Connexions, deck 7, midship, where you will be issued a tender ticket.

Please wait in the comfort of any public lounges or outside decks for your tender ticket to be called.

Please **DO NOT** come to the tender embarkation area on Deck 5 midship until your ticket colour and number is called over the P.A system.

TENDER TICKETS WILL BE AVAILABLE FROM 7.45AM IN CONNEXIONS, DECK 7, MIDSHIP

Tender tickets are not required ashore to return to the vessel, however please expect waiting periods if you wish to return during peak periods.

There is no shade or seating by the tender Embarkation area.

P&O OPERATES NO TOURS ON ISLE OF PINES

Baie de Kuto and Baie de Kanumera are separated by the narrow neck of Kuto peninsula. Baie de Kuto is the perfect place to lie on the beach or swim in the calm sea.

Leafy trees grow to the edge of the beach so even the hottest of days you'll be guaranteed of some shade.

For snorkeling, Baie de Kanumera is the best where the coral grows not far from the shore.

If you do go to the Kanumera Bay you will notice a large rock (Le Rocher) just off the beach, around this rock is the best snorkeling. However this rock is sacred for the local Kanak people, do not climb up on to the rock.

Also if you are snorkeling keep in mind that on the outer side of the rock you may encounter some stronger currents so please be careful.
